

## **The Licenses Pack**

Within this module you'll find 2 folders named "Your Customers Licenses and Your PLR License".

### **Your License**

This is your license and yours alone. This license cannot be passed on to your customers or subscribers. Use the licenses below as described.

### **Your Customers Licenses**

This folder contains 4 licenses, these are as followed:

- PLR License
- MRR License
- RR License
- PU License

Either of these licenses have to be added to each individual product when your selling or giving them away. It's totally up to you which license you use.
